Subject: Status of Nominations

Dear Governor:

The Advisory Group (AG) would like to know the status of the current process of appointing and confirming the position of Director of Education as well as the status of the appointment and confirmation of Board of Education Members.

The Advisory Group believes that it is very critical to have a Director and a full Board in place in order to rapidly move forward with the issues of the Chuuk Education Reform process.

Your commitment to the appointment of these positions is consistent to strong statements that you made at the High Level Meeting held in November of last year which set this entire reform process in motion.

We look forward to hearing from you in this regard as soon as possible this week.

Sincerely,

Thomas Bussanich
